TESTIMONIALS

"BrowseReporter has been great in enabling us to give feedback on which sites we need to restrict. With Bandwidth reporting and Remote Screen capturing, BrowseReporter has become the perfect tool for us to monitor our client PCs."

— Extraweave Pvt

"The one thing that made me really choose CurrentWare over the other products is the design of the software and the customer service. They also try build the software from feed backs of users and in the next updates certain features will be added or removed to customers' needs."
